

Seattle Insight Meditation Society

Annual Donation Form for Ongoing General Support

For ease in your record keeping and tax planning, SIMS extends the opportunity to give both SIMS and Teacher Dana in a single donation instead of making weekly or periodic gifts throughout the year. This may also make it easier for you to process a potential matching gift from your employer.

For SIMS, although any amount is appreciated and no one is turned away based upon their ability to pay, we suggest an annual contribution of at least \$250. Please remember that this gift is only for weekly SIMS Dana and not for non-residential retreats fees or teacher Dana.

Our teachers depend on your additional weekly Dana for their livelihood. Instead of, or in addition to weekly teacher Dana you may also make a larger but less frequent, tax deductible teacher Dana gift using this form. Please note that this Dana does not cover guest teachers or residential or non-residential retreats.
