Other Facilities for In-Patient End of Life Care:

Bailey Boushay House

2720 East Madison
Seattle, WA 98112

206-322-5300

<http://www.bailey-boushay.org/>

Bailey-Boushay House is a hospice-oriented nursing home. They offer both end-of-life care and recuperative care for patients with AIDS, cancer, amyotrophic lateral sclerosis (ALS) and other acute illnesses.

Enso House

Whidbey Island, WA

<http://www.ensohouse.org/>

Enso House provides a peaceful setting for comfort care at the end of life, placing a special emphasis on caring for hospice patients who desire a reflective environment to deepen their spiritual exploration. While some of the staff and volunteers of Enso House are Zen Buddhist practitioners, people of all religious and spiritual traditions are welcomed and supported.

The Caroline Kline Galland Home

7500 Seward Park Ave South
Seattle, WA 98118

206-725-8800

<http://www.klinegalland.org/gallandHome.html>

Recognized as one of the finest skilled nursing facilities in the country, Kline Galland Home provides a full complement of medical services, enhanced social, religious and cultural programs, strictly kosher meals and a loving Jewish environment.
